Open Board Position

The Board has given consideration to appointing a replacement to the open position at the January 20th, 2026 meeting, per the open time discussion of the November 2025 meeting. Homeowners who are interested in participating in the responsibility and decision making of the HOA, and are able to volunteer the necessary time, should submit a written request to serve. Send the request with a resume to the HOA office via email or snail mail before January 14th, 2026 so that the request can be included in the January Board packets.

For questions, contact the office.

Thank you,

Mesa Village Board of Directors.

This announcement has been posted online, mailed, and is on our bulletin boards next to the pool areas.
