

Too Many Pool Guest Blues!

Do you have family or friends coming over to join you at the pool? More than your usual two guests per unit? This is not a problem if you plan ahead. The Office can increase your guest count for up to 5 guests per unit for up to a week. If you are 18 or older with a valid pool card, then you can either call the office or send an email to mvhoa@mvhoa.org. Be sure to do this at least 2 working days before your guests arrive to ensure you are granted additional guests. Other wise your guests maybe left out in the heat!

Due to high demand, the Board and/or Management reserves the right to set limits to how many extension are issued.
